## Product Sampling Agreement

To maintain the cleanliness of the facility, the Spokane Convention Center regulates the size and type of Food and Beverage dispensed at Tradeshows.

Sampling is limited to the following:

- Product sampled must pertain to the exhibitor
- Beverage portion cannot exceed two (2) ounces.
- Food portions cannot exceed ½ cubic inch in volume (i.e. bite size).
- Ready-to-Eat food may not be sold at the Spokane Convention Center
- All sampling must be confined to booth only, no walking the exhibit floor
